

Financial Management

COI LEADER

Assistant Deputy Commandant, Programs and Resources (Resources)

COI MISSION STATEMENT

The Financial Management Community of Interest (COI) exists to build an agile workforce responsive to the Marine Corps' financial management requirements in support of operational forces. Our Community will use competency-based criteria to identify the training and experience required within the Financial Management Community. We will promote professional development, technical competency and ethical behavior to provide the Corps with Marines, equipment, and training.

COI VISION STATEMENT

The Financial Management COI encompasses professionals that serve as experts in planning, programming, budgeting, and executing of fiscal resources for the Marine Corps both today and in the future. We uphold Marine Corps values of honor, courage, and commitment by executing our fiduciary responsibilities with honesty and integrity. We are the stewards of the United States Marine Corps' financial resources.

COI GOALS

- Build and sustain professional development across the Community
- Achieve a consistent, motivated and highly skilled Community
- Enhance competency expertise as demonstrated through auditable results
- Establish key partnerships and relationships with professional associations and other services and agencies
- Build understanding of financial management implications within other Marine Corps professional communities
