

Community of Interest Strategic Plan Summary

Intelligence

COI LEADER

Assistant Director of Intelligence for Support, HQMC Intelligence Department

COI MISSION STATEMENT

The mission of the Intelligence Community of Interest (COI) is to develop a workforce possessing the aptitude, training, education, and experience to understand the threat environment and provide Commanders with information, resources, and analysis needed to make sound and timely decisions.

COI VISION STATEMENT

The Intelligence COI is a blend of professionals that recognize the need for seamless connections between intelligence and operations encompassing:

- A premier workforce that collects, analyzes, solves, and translates knowledge of the enemy and environment into operational opportunities
- Trained professionals with technical, tactical, and leadership expertise to meet the challenge of future threats
- Billet assignment based on certifications and career qualifications

COI GOALS

- Mapped career paths
- Active leader and mentor professional engagement
- Language and cultural training
- A credentialed workforce of intelligence professionals
- Recognize excellence and foster a culture of lifelong learning
- Technological innovation and integration
